The advertisement features a purple header with the question '¿Qué es el Heberprot-P®?' and a white footer with a diagram of the 'Grados de las UPD' (Stages of Ulcers). The central image shows boxes of Heberprot-P 75 and Heberprot-P 25, along with vials of the drug. To the right, five photographs illustrate the four stages of ulcers: grado 0 (foot at risk), grado 1 (superficial ulcer), grado 3 (deep ulcer with bone exposure), and grado 4 (localized or extensive gangrene).

¿Qué es el
Heberprot-P®?

Heberprot-P® 75

Factor Liofilizado

Epidérmico humano recombinante
