

President of Egypt Sends Message of Condolences for Fidel Castro's Death

Cairo, November 30 (RHC)-- President of Egypt Abdulfatah al Sisi sent a message of condolences to Cuban President Raúl Castro for Friday's passing of Cuban Revolution leader Fidel Castro on behalf of his government and people.

In the message, Al Sisi said Fidel symbolizes the struggles of the Cuban people. He commended Cuba and Fidel for their solidarity and cooperation with developing nations all over the world, and specifically Fidel's personal effort in strengthening relations between Egypt and Cuba.

The Arab leader said Fidel, his tireless struggle for justice, is a constant source of inspiration for the present and future generations.
