

Fox News Agrees to Pay Bill O'Reilly Up to \$25 Million After Firing Him

New York, April 22 (RHC)-- In the United States, former Fox News star Bill O'Reilly will receive a payout of about \$25 million -- equivalent to one year's salary -- after he was fired on Wednesday amid revelations that over a half-dozen women accused him of sexual harassment.

Reports say that Bill O'Reilly's payout follows a \$40 million severance package paid to former Fox News CEO Roger Ailes last year, after he was accused of sexual harassment by more than 20 women.
