

U.S. Government "Alien Crime" Hotline Flooded by Calls about Space Aliens

The screenshot shows the top navigation bar of the ICE website with the logo and text "U.S. Immigration and Customs Enforcement". A search bar contains "Search ICE.gov". Below the navigation bar, the page title is "Victims of Immigration Crime Engagement (VOICE) Office". The main content area features a large blue "VOICE" logo with the text "VICTIMS OF IMMIGRATION CRIME ENGAGEMENT" underneath. To the left of the logo are social media share buttons for Facebook, Twitter, and Google+. Below the logo, a grey box contains the text "Toll Free Hotline 1-855-48-VOICE". Further down, a paragraph states: "U.S. Immigration and Customs Enforcement (ICE) established the Victims of Immigration Crime Engagement (VOICE) Office to acknowledge and serve the needs of crime victims and their families who have been impacted by crimes committed by removable criminal aliens. This office was explicitly called for in the President's Executive Order titled, 'Enhancing Public Safety in the Interior of the United States,' dated January 25, 2017." Below this is a section titled "Mission Statement". To the right of the main content is a "Related Information" sidebar with two links: "DHS-VINE Fact Sheet" and "VOICE Fact Sheet", each with a right-pointing arrow icon.

Washington, April 28 (RHC)-- In the United States, Homeland Security Secretary John Kelly officially opened the office of VOICE -- or Victims of Immigration Crime Engagement -- which the Donald Trump administration says is aimed at helping the victims of crimes committed by unlawful immigrants.

Critics say the VOICE program will demonize undocumented immigrants, comparing it to Germany's Nazi-era policy of publishing lists of alleged crimes committed by Jews.

Meanwhile, a hotline set up by VOICE to report crimes committed by aliens has been flooded with calls from people reporting they've been victimized by extraterrestrials.

One Twitter user urged her followers to dial the hotline, tweeting: "I plan on calling every day to report how badly these green aliens from outer space are treating me. How about you?"
