

Cuban Minister of Public Health on Official Visit to Iran

Tehran, December 4 (RHC)-- Cuba's Minister of Public Health, Roberto Morales Ojeda, is on an official visit to Tehran to fulfil a busy schedule that includes working meetings with his Iranian counterpart, Hassan Qazizadeh Hashem.

In addition to visiting health centers and scientific research, during his stay in Iran, the Cuban minister will review the compliance of the bilateral memorandums of understanding, and explore with the hosts cooperation opportunities.
