

Security Camera Footage Shows Deadly Blast in Colombia

Bogotá, February 28 (RHC) — Authorities released security camera footage showing the moments leading up to a deadly explosion at a supermarket in Colombia earlier this week.

Four people were killed and 10 people were injured Tuesday in the city of Quibdo, about 200 miles northwest of the capital of Bogota, after an unidentified individual left a bag containing an explosive device on a counter.

Authorities have launched an investigation into the incident, with some speculation that the attack may have been motivated by an extortion attempt.
