

Conference on Sustainable Development and Innovation schedule for 2015

Matanzas, Mar 15, (RHC), -- Cuba will host the 7th International Scientific Conference on Sustainable Development and Innovation CIUM-2015, scheduled for April 6-10, 2015, the organizing committee announced.

The University Camilo Cienfuegos, in the city of Matanzas, 100 kilometers east of Havana, is responsible for CIUM-2015, together with the Plaza America Conference Center, in the beach resort town of Varadero.

According to organizers, the agenda of the academic event includes magisterial lectures and commission works.
