

Cuban Women's Delegation Visits Laos

Havana, March 22 (RHC) – The secretary general of the Cuban Women Federation (FMC), Teresa Amarelle, carried out a visit of friendship and mutual confidence between her organization and the organization of women in Laos.

Amarelle, as the leader of this delegation, met with the member of the Central Committee of the Popular and Revolutionary Party of Laos and president of the Women's Union, Sisay Leudetmounsone, to share ideas regarding the work that both entities realize and to talk about the achievements and challenges of the participation of the organization in the national development and social life.

The visitors will realize various tours in the different centers that have to do with the work and formation of Laotian women. They will also visit historic and cultural sites during their visit to Laos.

After this visit, the Cuban delegation will travel to Vietnam as part of a tour to strengthen the traditional links of friendship and solidarity with Asian countries.
