Baseball

Holguín beat 5-0 to Villa Clara to place just 1 victory to complete the sweep in last sub series at the *53rd Cuban Baseball Championship* in order to get the only available ticket to the post season.

Two separate homers of Guillermo Avilés and Raudelín Legrá --the latter with loaded bases-- before the pitching of defeated Yasmany Hernandez Rojas led to the success of Holguin's *Los Cachorros*, with Yusmel Velázquez' remarkably performance of solid pitching, who handcuffed Villa Clara's *Los Naranjas* offensive to just 4 hits in 7 innings to score his 9th victory with only 2 defeats.

Now Holguín has 48 and 38 and if it wins this Tuesday in the final challenge it would tie in the 4th seat with Villa Clara (49-37), but it would ensure the qualifying ticket for having dominated their bilateral series.

This would be the first time that Holguin sneaks in the playoffs since 2009, when they won the 4th place with 47 and 43, without forgetting they took the championship trophy in the final against Sancti Spiritus in 2002.

Meanwhile, the current rulers are forced to fight for winning and may advance to the post season for the 16th consecutive Season, even if they have to use the star Ismel Jimenez, their main figure after the exclusion of Fredy Asiel Alvarez.

In other results on Monday, Pinar del Rio and Industriales assured the 2nd and 3rd positions in the Table, in that order, at the end of the 2nd round and will encourage one of the semifinals match ups from March

28th.

Pinar succumbed twice to the leader Matanzas by 5-4 and 12-7, respectively, to finish the regular Season with 52 and 35, only 1 game ahead of Industriales (51-36), which divided honors with Isla de la Juventud 1-3 and 8-1, in that order.

Finally, the leader Matanzas closed with 57 and 30 --a record for the team-- and will receive at the start of the post season next Thursday 27th the winner between Villa Clara and Holguin.

And regarding the current Series, the *Cuban Baseball Federation* and the *Cuban Sports Institute (INDER)*, said in an official note that the pitcher Wilber Perez, 37, from the Isla de la Juvetud team and member of the Cuba's National Team to *III World Baseball Classic*, was suspended for 1 year of any official activity related to baseball for unsportsmanlike conduct while playing with his team on Sunday.

The note added that with his misguided action, Pérez, who has played 13 national Series, damaged the image of his team and the show, while affecting the possibility that his team will continue striving to improve its position in the current Series.
