

Pupo aiming for success in Lima

Lima, July 30 (RHC)-- "I have a lot of confidence in this event," Rapid Pistol Olympic Champion Leuris Pupo stated when asked about his form towards this edition of the Pan-American Games Lima 2019. During an exclusive interview with Radio Havana Cuba journalist Raul Rodriguez, the veteran athlete commented that he has been having the best preparation in the history of Cuban Sports Shooting, with training camps held in El Salvador and during the sport's World Cup in Munich.

When asked about his teammate Jorge Felix Alvarez, Pupo said that their team work is great and that they are a mix of youth and experience, which makes them both improve, not only for the Pan-Am Games, but also with sights on the Summer Olympics. Pupo will compete next July 31st and August 1st in his favorite modality: the rapid fire pistol.
