

Bolivian President Evo highlights historical value of Fidel Castro

La Paz, August 14 (RHC)-- Bolivian President Evo Morales highlighted the historical value of Fidel Castro's life and work for current and future generations. He made the comment on the occasion of the 93rd anniversary of the birth of the historic leader of the Cuban Revolution.

On his Twitter account, Evo Morales said that Fidel is the immortal leader of the struggle to free humanity from imperialism, serving as a revolutionary guide for the future.

The Bolivian president noted that Fidel Castro was one of the most supportive presidents in the world, and taught everyone that we must share with others what we have and not what we have left over.

Messages of solidarity with Cuba and praising the life and work of Fidel have been received from all over the world, including Panama, Costa Rica, France and Colombia.
