Burgos, Spain, September 6 (RHC) – The Cuban Shooting Guard Jasiel Rivero will reinforce, next season, the roster of the team San Pablo Burgos, of the Spanish Basketball League.

The news was confirmed by the team's Sports Director, Albano Martinez, who added that the 25-year old, 6'9'' athlete should arrive to Burgos in the next few days to be officially included in the team's roster.

According to Diario de Burgos, a local news agency, Rivero is linked to the "Big Blues" since last season, although he was out on a loan in the Atletico Boca Juniors, in Argentina, a team that reached the play offs in the Argentinian League with Rivero as one of their best players.
