

Nurses from 11 countries to participate in Cuban Congress

Havana, September 8 (RHC)-- Nurses from 11 Latin American countries, Spain and the United States, will attend the 18th Congress of the Cuban Society of this specialty, from September 11 through the 13th.

Nursing's contribution to the achievement of the Sustainable Development Goals is the motto of the event, which will be attended by some 500 delegates from Brazil, Dominican Republic, Colombia, Ecuador, Cuba, Spain and other nations.

At the same time, 11 side events will be held, including the Symposium on Maternal and Infant Nursing, Gerontology and Critical Care.
