Havana, April 29 (RHC)-- The Confederation of Cuban Workers (CTC) calls on the trade union movement and all its members to join this Wednesday's Twitter Campaign led by Cuban Radio on May 1st -- International Workers' Day -- from their homes and workplaces. The campaign runs from 9 a.m. to 12 noon, local time in Cuba (EDT).

Radio Rebelde is carrying out this exercise along with various institutions and organizations from all the provinces of the country and the Special Municipality of the Isle of Youth.

They will also participate in the tweet led by Cuban Radio, its 70 websites and Cuban Television, on issues related to May Day and the situation of the coronavirus.

The work of the internationalist medical brigades that are in various continents of the world supporting the battle against the pandemic will also be addressed.
