

Tesla CEO Elon Musk defies lockdown order and reopens auto plant

San Francisco, May 14 (RHC)-- In Northern California, billionaire Tesla CEO Elon Musk has restarted work at Tesla's huge electric vehicle factory in Fremont, daring government officials to arrest him for violating a coronavirus lockdown.

Earlier this week, President Trump tweeted: "California should let Tesla & @elonmusk open the plant, NOW. It can be done Fast & Safely!" Elon Musk tweeted back: "Thank you!"

Musk has repeatedly downplayed the threat of the coronavirus and called government-imposed quarantines "fascist."
