

Mexico reports 4,930 new coronavirus cases, 770 more deaths

Mexico City, June 18 (RHC)-- Mexico's health ministry has reported 4,930 new confirmed cases of coronavirus infections and 770 additional fatalities, bringing the total in the country to 159,793 cases and 19,080 deaths.

The government has said the real number of infected people is likely significantly higher than the confirmed cases, according to Reuters news agency.
