

Another 1.5 million file for unemployment in U.S. as billionaires make \$600 billion during pandemic

New York, June 21 (RHC)-- In the U.S., another 1.5 million people filed unemployment claims last week, bringing the total to over 45 million since the coronavirus crisis began. This marks the 13th week in a row in which more than a million people filed for unemployment.

This comes as the total wealth of the nation's billionaires has jumped by nearly \$600 billion since March 18, according to a report by Americans for Tax Fairness. During this period, Amazon founder Jeff Bezos made \$44 billion. Facebook CEO Mark Zuckerberg made \$32 billion.
