

Italy's tally of new virus cases down to 239

Rome, August 3 (RHC)-- The number of new confirmed cases of the coronavirus in Italy nudged lower to 239 in the last 24 hours, while all eight deaths were recorded in Lombardy, the epicentre of the country's epidemic.

That brings the total number of cases in Italy to 248,070 and deaths to 35,154, AP news agency reported early on Monday quoting the country's health ministry.

The number of daily cases in Italy has hovered between 200-300 for weeks, mostly related to people arriving from outside of Italy, either foreign workers or migrants.
