

Mexico's death toll from coronavirus tops 50,000

Mexico City, August 8 (RHC)-- Mexico's health ministry reported 6,590 new confirmed coronavirus infections and 819 fatalities, bringing the country's totals to 462,690 infections and 50,517 deaths.

Mexico has now the third highest death toll in the world, after Brazil, which is approaching 100,000, and the United States, which is approaching 160,000.
