

# *Hundreds protest in Madrid against restrictions*

---

Madrid, August 17 (RHC)-- Chanting "freedom," hundreds of people have rallied in Madrid to protest against the mandatory use of facemasks and other restrictions imposed by the government.

Protesters held up home-made placards featuring slogans that included "The virus does not exist", "Masks kill" and "We are not afraid."

The demonstration drew a variety of attendees, including conspiracy theorists, libertarians and opponents of vaccination.
