

Trump plans pre-election ICE raids in U.S. sanctuary cities

Trump plans mass raids on migrants in October. (Photo: Internet)

Washington, September 30 (RHC)-- The Washington Post reports that the Donald Trump administration is planning mass raids in pro-immigrant sanctuary cities across the United States.

Immigration and Customs Enforcement could reportedly begin the operation in California as soon as this week and expand to other cities, including Denver and Philadelphia.

Trump has repeatedly threatened to cut off federal funding to sanctuary cities if they do not comply with his immigration policies.
