

UAE Signs Airline Deal with Cuba

Dubai, May 28 (RHC) -- The United Arab Emirates has signed an 'open skies' agreement with Cuba, media outlets in Dubai report.

The agreement stipulates that all national carriers of both parties will have the right to perform scheduled air services between the two countries, Gulf News replotted this Wednesday.

The agreement was signed by Saif Mohammad Al Suwaidi, Director General of the UAE General Civil Aviation Authority, during his visit to the Caribbean island country.

The UAE delegation designated all Emirati national airlines under the agreement.
