U.S. House calls on vice president to remove Donald Trump from White House

Washington, January 12 (RHC)-- The U.S. House of Representatives has passed a resolution calling on Vice President Mike Pence to invoke the 25th Amendment to remove Donald Trump from office as President.

The vote -- 222 in favor and 204 against -- was entirely on party lines.. with all Republicans voting against the resolution. Seven Republican representatives did not vote.

Developing story. Stay tuned.
