**?Racist radio talk show host Rush Limbaugh is dead**

Miami, February 18 (RHC)-- The right-wing, racist and sexist radio host Rush Limbaugh has died.

His daily program was filled with racist conspiracy theories and disinformation, and it helped transform the Republican Party, leading to the rise of Donald Trump.

Over the years, Limbaugh often targeted Barack Obama, people with AIDS, immigrants, environmentalists and feminists, whom he dubbed "feminazis." He also downplayed the severity of COVID-19, climate change and smoking.

He died of lung cancer -- from smoking -- on Wednesday at the age of 70.
