

Trump's lawyers threatened MIT researchers over report on 2019 Bolivian election

Trump's lawyers threatened MIT researchers over report on 2019 Bolivian election

New York, May 5 (RHC)-- The Intercept is reporting the Donald Trump Justice Department repeatedly contacted and eventually threatened to subpoena two researchers at MIT over their analysis of the 2019 Bolivian presidential election.

The MIT study debunked claims of electoral fraud in Bolivia, which were used to help justify a coup against President Evo Morales.
