

Cuba Graduates over 2,800 Medical Professionals this Year

Havana, July 14 (RHC)-- Over 2,800 medical professionals will graduate from Havana's Medical University this year, with more than 1 000 of them coming from 27 countries of the world.

Information officer at the University Cosme More said that the graduation ceremonies began July 12th and will run until July 24th.

The central graduation ceremony for those who finished their courses on Medicine, Dentistry, Nursing, Psychology and Health Technology, will take place July 23rd and 24th at the Havana-based Latin American School of Medicine.
