Havana, October 27 (RHC)-- The First Secretary of the Central Committee of the Communist Party of Cuba (CC-PCC) and President of the Republic Miguel Díaz-Canel received Thursday the delegates attending the 22nd International Meeting of Communist and Workers' Parties (EIPCO).

At the Palace of the Revolution, the Cuban president welcomed them on behalf of the PCC, the Cuban government and the Cuban people, reported the Presidency's account on the social network Twitter.

During the exchange, Díaz-Canel stressed the importance of the event in the face of policies that bring so much discomfort to the world, and in particular to the working classes.

The XXII International Meeting of Communist and Workers' Parties (EIPCO) is meeting for the first time in Cuba, from this morning at the Havana Convention Palace, until Saturday.
