Cuba team to the Classic

Havana, March 20 (RHC).- After placing among the big four in the V World Baseball Classic, the Cuban team will return to the homeland this Monday.

The aircraft is expected to land at José Martí International Airport at around 6:30 a.m., and at around 8:30 a.m. will begin a tour of the city's main arteries.

According to plan, the caravan will cover the entire Rancho Boyeros Avenue up to Presidents Avenue. From there, they will go to 23rd Street to take the Malecón to 12th Street, where they will go up to 26th Avenue.

The journey will end at the Sports City Coliseum, where at 10:00 a.m. the official welcoming ceremony will take place.

Our team has signed an outstanding performance and faced the semifinal in the most difficult conditions imaginable, given the hostility of the haters in Miami.

New battles and new victories will come.
