

Fox News abruptly fires far-right host Tucker Carlson

Fox News has abruptly fired far right prime time host Tucker Carlson.

New York, April 25 (RHC)-- Fox News has abruptly fired far right prime time host Tucker Carlson. His departure was effective immediately. Interim presenters are replacing Carlson, who has not commented about the reason for his firing.

The surprise exit of the top-rated host comes after text messages from Carlson were revealed in the Dominion Voting Systems lawsuit against Fox News for airing false claims of a stolen election that was

just settled last week for \$787 million.
