Havana, Sep 24 (RHC) The Cuban government ratified on Sunday the will to continue strengthening the historic ties of friendship and collaboration with Croatia.

This was stated by the Ministry of Foreign Affairs of our country, Bruno Rodriguez, in his account on the social network X, formerly Twitter, on the occasion of the 31st anniversary of the establishment of diplomatic relations between the two nations.

In 2021, during the II Round of Inter-Chancellery Political Consultations, Cuba and Croatia expressed their desire to boost economic-commercial relations.

The government thanks the European country for its historic position against the economic, financial and commercial blockade imposed by the United States on the Caribbean nation. (Source: Prensa Latina).
