

Donald Trump suggests General Mark Milley should be put to death

Palm Beach, September 27 (RHC)-- Former U.S. President Donald Trump has called for the outgoing chair of the Joint Chiefs of Staff, General Mark Milley, to be put to death. Trump made the remark Monday on his social media platform Truth Social, accusing Milley of secretly speaking to China's government behind his back in the final months of his administration.

Donald Trump wrote on his social media: "This is an act so egregious that, in times gone by, the punishment would have been death!"
