

Tenth edition of EXPOALADI will meet in Havana

Havana, Sept 28 (RHC) The tenth Macro Business Roundtable of the member countries of the Latin American Integration Association, EXPOALADI, will be held in Havana between October 2 and 4 at the Pabexpo venue.

For the first time, participation is extended to Caribbean nations. More than 330 companies have already confirmed their presence.

The exhibition will include the biopharmaceutical and food sectors, and the provision of professional services.

ALADI is an international intergovernmental organization created by the Treaty of Montevideo in 1980. It aims at promoting the harmonious and balanced economic and social development of the 13 member countries, using regional economic integration as an instrument.
