

Knesset suspends lawmaker Ofer Cassif for criticizing Israel's war on Gaza

Tel Aviv, October 19 (RHC)-- An Israeli parliament ethics committee has suspended Knesset member Ofer Cassif for 45 days after Cassif criticized Israel's assault on Gaza. His suspension comes as Israeli authorities have arrested more than 100 Israeli citizens over social media posts supporting Palestinians in

Gaza.

At least 70 Israeli university students face suspension or other disciplinary action for posting pro-Palestinian sentiments online.
