

Journalist Montaser Al-Sawaf killed in targeted attack by Israel

Gaza City, December 6 (RHC)-- Israeli attacks continue to kill journalists at an unprecedented pace.

Montaser Al-Sawaf, a freelance journalist working for the Turkish Anadolu Agency, was killed along with his brother and other relatives in an Israeli airstrike on his home.

Al-Sawaf reportedly bled to death after no ambulances were available to save him. The Committee to Protect Journalists says at least 56 Palestinian media workers have been killed by Israeli forces since October 7th.
