Tel Aviv, December 9 (RHC)-- An anti-tank missile fired by Hezbollah fighters in Lebanon killed an Israeli civilian on Thursday. The cross-border attack prompted retaliatory fire from Israeli tanks and helicopter gunships.

Prime Minister Benjamin Netanyahu threatened to reduce Lebanon's capital Beirut to rubble if Hezbollah increases its attacks. Netanyahu told reporters: "If Hezbollah chooses to start an all-out war, then it will, by its own hands, turn Beirut and southern Lebanon, not far from here, into Gaza and Khan Younis."
