

Cuban president attends presentation of book on La Colmenita

Havana, February 11 (RHC) -- Cuban President Miguel Díaz-Canel on Saturday attended the presentation of the book *La Colmenita ¡mi vida!* by Carlos Alberto "Tin" Cremata and a play of the same name to celebrate more than three decades of the group.

The work of Cremata, general director of La Colmenita, tells the whole itinerary of the group, with images and texts of a very mellifluous life, among hard-working bees and the teaching of several generations of

theater people and actors in different manifestations.
