Washington, March 14 (RHC)-- Protests against the Israeli aggression against Gaza continue on Capitol Hill in Washington, DC. On Tuesday, members of Jewish Voice for Peace occupied the office of Congressman Hakeem Jeffries, calling on the Democratic leader to reject funding from AIPAC, the American Israel Public Affairs Committee. Jeffries is one of AIPAC's largest recipients.

The action came as over 20 groups launched the Reject AIPAC coalition, established to counter the powerful lobby group's influence in D.C. and to call on elected officials to reject endorsements and contributions from AIPAC.
