

Israeli settlers shoot dead Palestinian medic as he attempts to aid injured people

Nablus, April 22 (RHC)-- The Palestinian Red Crescent Society reports Israeli settlers shot dead a Palestinian ambulance driver south of Nablus as he was trying to reach Palestinians injured during a raid by Israeli settlers.

Mohammed Awad Allah Musa was a 50-year-old volunteer paramedic with the Palestine Red Crescent.

This comes as the Biden administration is reportedly preparing to issue sanctions on the Netzah Yehuda battalion, an ultra-Orthodox Israeli military unit accused of committing human rights abuses against Palestinians in the occupied West Bank.
