The first of that session belonged to lightweight Luis Vinent, who landed several powerful impacts on the face of Roberto Mena (CAV) in the opening round that forced the referee to quickly apply the RSC to avoid further damage.

Meanwhile, the national champion Giorvis Salfrán (GTM, 57 kg) eliminated the experienced Jorge Griñán (SSP) with a 5-0, thanks to the good use of the jab to keep the rival at a distance and then send him numerous straight blows.
