

Statistics mark Madrid's superiority against Dortmund in the Champions League

Havana, May 30 (RHC).- The statistics show a clear superiority of the Spanish team Real Madrid over the German Borussia Dortmund in the Champions League matches.

They faced each other 14 times, all in the top European continental tournament, and the meringues won 6 times, tied 5 times and lost 3.

Real Madrid and Borussia Dortmund are two historic teams in Europe, which have faced each other on multiple occasions in the Champions League, and it is precisely where they will write a new chapter, on Saturday in a final that will be played at the New Stadium from Wembley.

In the last duel between the two teams, in the 2017/18 group stage, Real Madrid would manage to win both the first leg and the second leg. In the first leg 3-1, with goals from Bale and a double from Ronaldo, and in the Bernabéu 3-2, with goals from Mayoral, Ronaldo and Lucas Vázquez.
