

Julian Assange is free... leaving British prison after being granted bail by the High Court of London

Image not found or type unknown

London, June 24 (RHC)-- WikiLeaks is reporting that Julian Assange is free!!

"...He left Belmarsh maximum security prison on the morning of June 24th, after having spent 1,901 days there. He was granted bail by the High Court in London and was released at Stanstead Airport in the afternoon, where he boarded a plane and left the UK.

WikiLeaks published groundbreaking stories about government corruption and human rights abuses, holding the powerful accountable for his actions. As editor-in-chief, Julian paid a high price for these principles and for the people's right to know."
