

Leaked audio reveals covert Israeli plan to fully annex occupied West Bank

New York, June 26 (RHC)-- The New York Times has revealed details of a secret Israeli government effort to further increase its control of the occupied West Bank.

The Times reveals that on June 9th, Israeli Finance Minister Bezael Smotrich gave a speech to a group of settlers where he outlined ways for Israel to essentially annex the area and prevent the West Bank from being part of a future Palestinian state.
