

Israeli attack kills four family members gathering water in Gaza City

Gaza City, June 29 (RHC)-- Israeli forces targeted a water distribution point in Gaza City, killing four members of the al-Ghazi family, including a child.

UN spokesman Stephane Dujarric said the new Israeli ground offensive in Gaza City's Shujayea neighbourhood forced the displacement of "at least 60,000" residents, while Israel's military operations in

the al-Mawasi area of southern Gaza resulted in 5,000 people displaced and many casualties.
