

Prayer vigil held in Milwaukee for Donald Trump; Praise the Lord and pass the ammunition!

Praise the Lord ... and pass the ammunition!

Milwaukee, July 15 (RHC)-- Donald Trump supporters gathered at a park on Sunday in Milwaukee, Wisconsin, where the Republican National Convention got underway today, holding a prayer vigil.

The faithful prayed for those on both sides of the political spectrum, even if the event organized by conservative group Turning Point USA still carried a partisan tone and the occasional culture war rhetoric.

“I just bless the Democratic Party. I bless the opposition. I pray that you would show them where they are in error. I pray that you would show them where they are opposing their own creator,” said Patrick Casper.

“We just pray for all Trump’s enemies. This is not America, to try to shoot a former president. God help us,” offered another man, removing his red Trump hat to pray.
