Cuba vs Brazil

Bukhara, Sept 15 (JIT) - A 10 goals defeat against Brazil marked the debut of the Cuban national team in the Fifa Futsal World Cup Uzbekistan 2024.

The five-time world champion put on the field the quality that separates it from the rest and made the Cubans pay dearly for every mistake, with the accuracy of a clockwork machine.

The fair award for the superiority speaks well of the Verdeamareilha, but hides behind the resounding result the courageous attitude of the Cubans, who earned the applause of the public and the unanimous chorus of "Cuba, Cuba" in recognition of the David of Judah's affront against the giant Goliath of the Philistines.

They also deserved the praise of Brazilian coach Marquinhos Xavier, who emphasized their courage without condescension, "I congratulate them, despite the result they impressed me with their talent and

intensity, they showed character and played without fear despite the difference".

Whoever stops at the cold verdict of the scoreboard will not know about the shame, whoever looks at the empty goal box will not know about the chances created against an outstanding team like the South American team.

"Nobody is happy after an adverse result, much less if the scoreboard shows a wide difference like today's, but we also evaluate with humility and we know of their superiority", Cuban coach Osmel Valdivia told JIT.

"We knew it would be difficult and we tried to minimize the damage in defense against a team that crushes its rivals, I am left with the attitude of the boys that left no room for complaints," he added.

Valdivia was optimistic for the upcoming matches and compared the level of the first opponent with the rest, even though he acknowledged that they still have to correct some deficiencies in defense and improve their finishing.

"Obviously we can't be satisfied with the outcome, but we have two games left and we will go out there to improve our image and achieve better results," said Jonathan Hernandez, captain of the West Indies squad.

In the other Group B match, Thailand defeated Croatia by a score of two goals to one. The winners will face Cuba, which closes this phase against the Croatians, on the 17th.
