

Palestinian Education Ministry reveals Israeli assaults have killed 11,000 students

Ramallah, September 18 (RHC)-- The Palestinian Education Ministry reports Israeli attacks have killed more than 11,000 students across the Gaza Strip and occupied West Bank since last October 7th.

In one of the latest assaults, at least 20 Palestinians were killed when Israel's military bombed the al-Bureij refugee camp in central Gaza. Five others were killed in an attack on Gaza City's al-Zeitoun neighborhood.
