

Iranian missiles launched against Israeli territory

Dozens of missiles began to fly over the sky of Tel Aviv in the Israeli night. | Photo: Press TV

Tehran, October 1 (RHC)-- Iranian television has announced attacks on targets inside the Israeli entity in response to successive and lethal attacks by the occupation regime against Palestine, Lebanon, Syria, Iran and Yemen.

A second wave of ballistic missiles from Iran. Iranian ballistic missiles cross the sky of the capital, Damascus, heading for "Tel Aviv."

Sirens sound throughout the occupied territories, as Iran has launched more than 400 missiles against the territory of occupied Palestine.
