Gaza City, November 3 (RHC)-- Media sources say nothing less than an apocalypse is now unfolding in Gaza as Israel intensifies its genocidal attacks.

Medical workers confirm Israeli attacks on Gaza have killed 23 people, including 13 in the north, since dawn on Sunday.

Meanwhile, UNICEF has condemned Israel's "indiscriminate strikes on the Gaza Strip," noting that more than 50 children have been killed in the attacks on Jabalia in the north in the past 48 hours.
