

*Bloody Blinken, Secretary of Genocide: Blinken confronted by protesters over Gaza at farewell keynote address*

---

Washington, January 15 (RHC)-- In Washington, D.C., outgoing Secretary of State Antony Blinken was interrupted by antiwar and pro-Palestinian protesters Tuesday as he delivered a keynote address at the Atlantic Council. It was Blinken's final speech as the United States' top diplomat.

Protesters repeatedly interrupted the event, with one addressing the secretary of state as "Bloody Blinken, secretary of genocide."

One protester shouted: "Your legacy will be genocide! You will forever be known as Bloody Blinken, secretary of genocide! You have the blood of hundreds of thousands of innocent people on your hands! We have spent a year trying to appeal to your humanity, in front of your house! We brought you letters! We've held car rallies! The blood of innocent civilians, of children, is on your hands! We will not forgive you!"
