Gaza City, January 26 (RHC)-- Israeli forces opened fire on Palestinians trying to return to their homes in the north of the Gaza Strip, as Hamas accused Israel of delaying the implementation of the ceasefire terms.

Meanwhile, Israeli Prime Minister Benjamin Netanyahu said Israel was blocking the return of Palestinians into northern Gaza over an alleged delay in the release of a female captive.

The dispute came as a ceasefire between the two sides entered its second week with the release of four Israeli soldiers and 200 Palestinians earlier on Saturday.
